WILL BE BUILT.

Tayman Hill.

WORK WILL BEGIN IMMEDIATELY. sure go. The contract was signed Monday morning and to day 100,000 feet of umber will be delivered and work on the immense structure will be commenced to-morrow morning. The contractors fully expect to have the building under roof and plastered before the middle of December, and from then till spring will take their own time to finishing it, the only stipulation being that it be ready for the reception of guests at the ppening of the season of 1898, about June

The original plans of the building have been modified in some particulars, principally in the way of dispensing with costly and useless exterior ornamentation. The dimensions have not been altered and the botel will cover the great services from 7:30 to 7 o'clock, to take stone walls already prepared for its reception. The original lines of the building will be carried out, while better heating and ventilating apparatus has been provided for. Another important change made in the original plans pro-

vides for a perfect system of baths. Just as soon as the frame of the building has been placed in position, plumbers will be set at work putting in the steam heating apparatus and the building will be kept comfortably warm throughout the winter in order that workmen may not be delayed a single day on account of cold. John Husband & Bro., of Mt. Pleasant,

Recent Deaths. Mrs. Peter Auman, agod about 75 years, ied at her home just east of Somerset at a early hour Sunday morning. Her autumn Arbor Day in a proclamation isisband, who passed from earth several sued by Dr. Schaeffer, the Superintendrears ago, was a well-known one logged | ent of Public Instruction, lately. He reteran of the war. She is survived by recommends that the day he observed by

Jesse Brant, aged 74 years, died at his Schaeffer says : iome in Brothersvalley township, on one of the most prominent and highly respected citizens of the district in which he resided. He was a leading member of is death was an elder of that denomi-

Daniel Cobaugh died at 3 o'clock yes orth of this place, aged 52 years. Deeased had been in delicate health, suffering from a complication of stomach and bowel disorders for a number of ears, but was not confined to his home each of forty thousand acres in extent," intil about six weeks ago, since when his strength slowly left him and death resulted from enfeebled vitality. While his death was anticipated by the watchers

at his bedside the end came as a crushing blow to all of them. Deceased was the only surviving son of the venerable George Cobaugh, now past the name of any candidate shall not apeighty years of age. He was born 52 pear more than once on the official ballot, which he died. He was married about twenty-two years ago to the only daughter of Mr. and Mrs. George Gohn, whose

farm adjoins the Cobaugh estate. His only brother J.hn was killed in the armv. In addition to his wife and father he is

survived by three sons, George, Bruce and Earl. As is well known to most of our read- publican ticket. The bill sets forth that ers the Cobaugh farms are among the the provision prohibiting the Secretary most valuable in Somerset county, com- of the Commonwealth from transmitting thirty-five per cent in price, I still prising as they do three or four large the names of any candidates appearing farms, aggregating in the neighborhood more than once by certificate of nominaof 1,000 acres, all within two miles of tion upon the official ballot is unconstitu-Somerset. Since the death of his wife, tional; that it is inconsistent with and come ten years ago, the senior Cobaugh | contrary to the laws of Pennsylvania rehas made his home with his son, and this lating to the conduct of primary elecsummer they began work on a new tions, and further that it is contrary to of Wool Underwear. home, which when completed, will be public policy.

one of the model country residences in this part of the State. Deceased was a life long member of the Evangelical church and his life was spotess throughout. The funeral will take place at 10 o'clock

o-morrow morning. Interment in the Lighty Church Cemetery.

Giant Harvester. This season, in the great wheat-growng section of the Sau Joaquin valley, a giant harvester has been in use which cuts, threshes and sacks the wheat growing on 100 acres daily. The machine, when all its sickles are in use, cuts the enormous swath of 52 feet, says Harper's Weekly. Eight or ten men are able to handle it easily, and it turns out from

1,400 to 1,800 sacks of wheat in a 10 hour The machine is arranged with a cen- filers now. Orders can be left at W. F. Sha tral body, which is the regulation 26 foot | er's Marble Works. harvester. On each side of this main sickle is a 13-foot sickle. When the machine began work this year, the traction engine, which was built especially for it, Considerable business of interest to the pushed this enormous harvester through the heavy grain of the islands of the San A SSIGNEE'S NOTICE. Joaquin river as easily as a team of denomination throughout the Conference territory was transacted at Friday's session of the United Brethren church in Altoona.

The Committee on Third Year's Course of Reading reported that C. C. Miller and F. F. Ott were examined, but Mr. Miller of the soil, and the traction ensured as a seasily as a team of horses would draw a wagon on a road. When, however, the softer ground was reached, the weight of the machine proved to be so great that the wheels of Reading reported that C. C. Miller and Sank into the soil, and the traction ensured post Mr. Miller of the conference of the conference of the soil of the machine proved to be so great that the wheels weight of the machine proved to be so great that the wheels weight of the machine proved to be so great that the wheels weight of the machine proved to be so great that the wheels weight of the creditors of said George W.
